SOFT SKILLS

- Excellent problem-solving and analytical skills
- Strong attention to detail and data accuracy
- Adaptable, quick learner, and team player
- Committed to continuous learning and improvement

LANGUAGES

English
Amharic

PROFILE

I'm a passionate Full-Stack JavaScript Developer with 3+ years of experience designing and developing modern, high-performance web applications using the MERN stack (MongoDB, Express.js, React, Node.js) and Next.js.

I specialize in crafting responsive user interfaces, RESTful APIs, and secure backend systems that deliver seamless digital experiences. My work blends performance optimization, clean architecture, and problem-solving to create scalable web apps for real-world use.

Currently, I'm expanding my skills in Next.js, focusing on server-side rendering (SSR), API routes, and cloud deployment. I'm also exploring AWS and modern DevOps tools to build production-ready full-stack systems.

I'm always eager to learn, collaborate, and contribute to innovative web solutions that have real impact.

EXPERIENCE

Yosal PLC — MERN Stack Developer

ADDIS ABABA, ETHIOPIA | MAR 2022 - PRESENT

SKILLS

Frontend: React.js, Next.js, HTML5, CSS3, JavaScript (ES6+), Bootstrap, Responsive Web Design
